Salt Lake City, UT 84111-1898

**Course Description:**

This course is designed to examine the scope of substance abuse in Utah and the United States and to understand the various strategies of prevention. It will discuss addictive behaviors, dependence, and short and long-term consequences of drug use and abuse. The class will promote an awareness of prescription drugs, illicit street drugs, and teen abuse of alcohol. An assignment is required for USOE credit.
